# COLLEGE

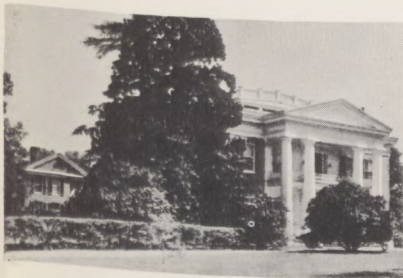

## FRIENDLIEST CAMPUS IN THE SOUTH

**D**EEP in the heart of the old South amidst moss-covered trees and ante-bellum homes lies our Alma Mater, Mississippi College. This, the oldest of the senior colleges of the state, was chartered as Hamstead Academy in 1826. The name of Mississippi College was adopted in 1830. In 1833, it is believed, the college became the first in the United States to grant degrees to women.

The years passed, and soon this campus of "truth and virtue" found itself in the center of the Civil War. Not standing idly by, a company of the men of the college, called the Mississippi College Rifles, entered our nation's historic struggle. But, to the shame of its children, the college was taken by General Grant, and the old Chapel pictured on the cover was used as a stable for his horses. The auditorium became a war hospital for the wounded.

Though 133 years have quickly flown and hundreds of students have graduated, this institution is still located in the old city of Clinton. The modern capitol city of Jackson is but seven miles away. Therefore, this college under Baptist control for 109 years has an ideal history, location, and climate, as well as a deep spiritual atmosphere. But more than these, it has an ideal student body selected from all parts of the world; and each individual has contributed his personality and devotion to make this—by greeting and smile—the friendliest campus in the South!

## EDICATION

Although the pair to whom this annual is dedicated have no connection individually, each is a perfect example of concern, understanding, encouragement, and friendliness.

The older has lived memorable years in diligent service, always willing to help each student under her instruction in his quest for knowledge.

The younger, having been on this campus only a short while, has stolen the heart of each of her students because of her vivacious personality and her eagerness to become "one of the crowd."

Therefore, the 1959 TRIBESMAN Staff proudly dedicates this annual to you—MISS NELLY MAGEE and MISS EDITH ALEXANDER!

MISS NELLY MAGEE

MISS EDITH ALEXANDER

## THE PRESIDENT

DR. R. A. McLEMORE

Mississippi College's strength lies in the wonderful group of people it serves. I feel that the students of 1958-59 represent the flower of our youth. The faculty, staff, and students are making this another historic year in the life of the College.

Sincerely,

*R. A. McLEMORE*

R. A. McLEMORE, President

## ACADEMIC DEAN

HOWARD E. SPELL, Ph.D.

Dr. Howard E. Spell has served as Academic Dean of the college for a number of years. His capable work has proved sufficient to the college's needs, and his concern for each student has magnified his efficiency.

"Who's got the Ball?"

The Choctaws went down to a 27-6 defeat before the onslaught of the Austin Kangeroos down in Sherman, Texas last October 4. However, the game wasn't as one-sided as the score indicated. The Kangeroos jumped off to a 14 to 0 lead in the first seven minutes. From then on the battle was evenly matched. The Choctaws' Jerry Napier recovered a Kangeroo fumble deep in their territory and two plays later Lynn Naylor slipped over to score. The try for the point was not good and Austin led 20-6. The Texans got another six points late in the last quarter to wide the final score 27-6.

"Excuse me, may I cut in?"

The 1958 edition of the Mississippi College Choctaws began their season September 20 in the mud on Robinson field. The Chocs met head on with the Mountaineers of the College of the Ozarks. The visitors scored both touchdowns in the initial stanza.

The Mountaineers converted two M. C. miscues into quick touchdowns and then held on to defeat the Chocs 12-0. A short M. C. punt had given the Ozarks the ball at the Choctaw 40 yard line, and they moved quickly to score. Brief minutes later a fumble gave them their second opportunity from the 42 yard line, and they scored again. The rest of the game was a defensive battle with M. C. winding up on the short end of a 12 to 0 score.

"A Choctaw takes a rest against Southwestern"

The Southwestern Lynx offered M. C. the opposition on September 27. The two teams collided on the turf of Faragason field in Memphis, and when the air cleared Mississippi College had absorbed their second straight defeat.

The Lynx Cats began their scoring by catching the Choc quarterback Boyce in the end zone for two points. In the second quarter a defensive battle ensued, but with only 30 seconds remaining the Southwesterners took to the air to score from thirty-five yards out. Southwestern scored again in the third canto, and immediately after the kickoff they intercepted a misguided missile and raced 52 yards to score. The score now stood at 21 to 0. A Lynx fumble on their own 20 set up M. C.'s lone tally. Boyce behind fine blocking by Depoyster swept around end to score midway during the last period. Freddie Kelly took a Boyce pass for the extra points and wound up the point total of the Choctaws to 8. The Lynx wound up the day scoring after intercepting a Choctaw pass and the final total read Mississippi College 8, Southwestern 28.

The Choctaws traveled to Shades Valley Stadium in Birmingham, October 17, 1958 and were met with a warm reception by the Howard Bulldogs. The Alabama team exhibited a devastating ground attack and surpassed the Choctaws in passing yardage.

Howard took the opening kickoff and marched 93 yards to the first score, but after this, the Bulldogs had to wait until one minute was left to play in the first half before they scored again. A stray Choctaw pass was picked off by the Howard defenders and they moved quickly to a 12-0 half-time lead.

The Choctaws were seemingly revived after the half and held the Bulldogs at bay during most of the third quarter. Late in the third quarter Howard started another scoring march from the Choctaw 33 yard line and moved the ball to paydirt in six plays.

Mississippi College received the following kickoff only to bog down at their own 40. Howard took over and moved to the 12. Here they took to the airways to put the final touches onto the victory. The final score—Howard 26, Mississippi College 0.

"Alexander rambles around end against the Saps"

Mississippi College ran into the singewing attack of Sewanee October 18 and fell victim to the Tennessee Tigers. Fullback Tommy Alexander ripped through the Sewanee line for 11 yards and M.C.'s only touchdown. A Boyce to Kelly pitchout got the two points. But other than that bright spot, the day was dismal for the Choctaw aggregation. Sewanee rolled up six touchdowns and an equal number of two-pointers to overwhelm the Choctaws 48 to 8.

"What do you smell, Ump? A Sap?"

"Boyce closes in for the kill"

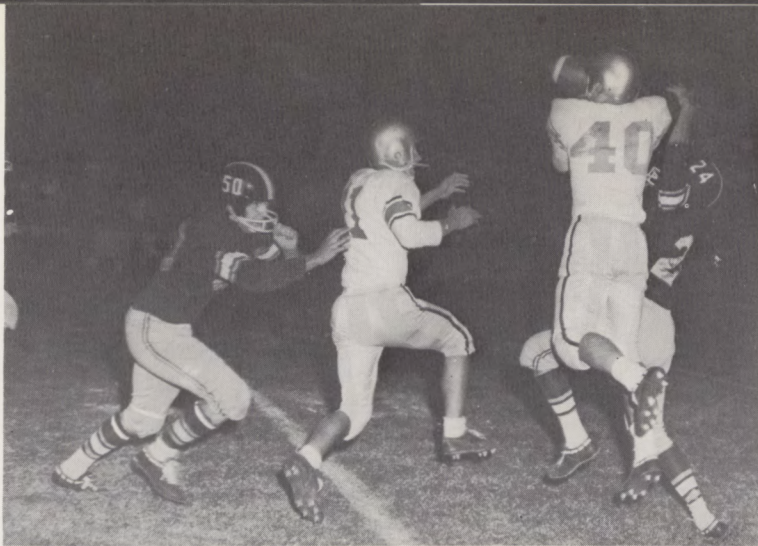

October 25, 1958, found the Baptist Braves playing their most impressive game of the season. They met the Millsaps majors in Jackson and fought them to a scoreless tie.

Five times the Majors moved within the shadow of the Mississippi College goal-line and five times the Choctaws rose to the occasion to overthrow the threat.

The Choctaws were driven all over the field, but they refused to lose in this spirit inspired feud. The final score read Mississippi College 0, Millsaps 0.

Louisiana College moved onto Robinson field Saturday night November 1. The Choctaws defense held mightily against the torrent of wildcat runners in the first period. But they compiled 683 yards gained, to the Choctaws 57. The score was equally humiliating and lopsided as the Baptists from Louisiana handed the Choctaws their worst defeat of the season, 68-0.

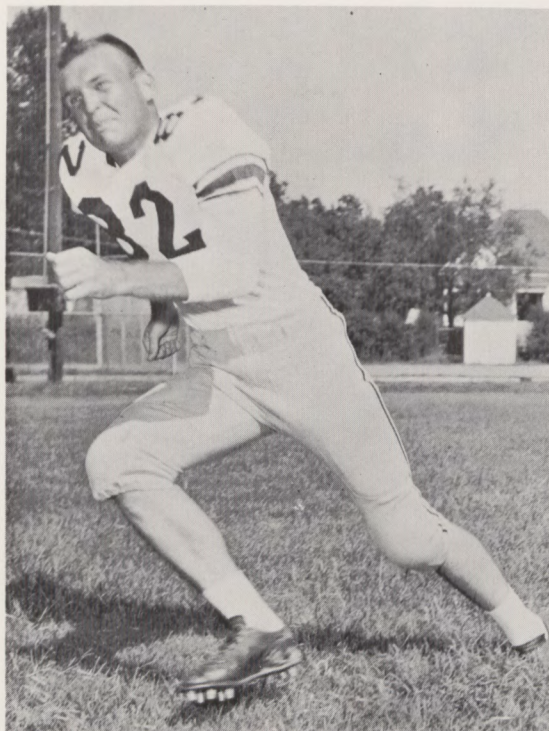

Gore and Flynt Defend Against Millsaps

The Choctaws travelling into Razorback country November 8 to meet the Ouachita Tigers. This contest found the Choctaws fighting gallantly throughout the game but they succumbed to a superior attack by the Tigers and fell 31 to 0.

The 1958 Choctaws showed the fighting spirit of the Mississippi College teams of the past, but the lack of an effective scoring punch made the difference. The highlight of the season was the heroic stand by the Choctaws against arch-rival

Millsaps. Driven into the shadows of their own goal line, they fought back with all the spirit of a dying Choctaw and pulled a tie out of what looked to be a certain defeat.

# BASKETBALL

Mississippi began their 1958-1959 basketball season at home with Howard. This game was never in doubt as Mississippi College jumped off to an early lead that was never relinquished. The final score read M. C. 120, Howard 72.

The Choctaws left the friendly confines of Alumni Hall for a road trip north into Razorback country. There they met and conquered the Ouachita Tigers but fell before Hendrix and the highly rated Christian Brothers College of Memphis.

Mississippi College took their revenge out on Sewanee. The Tigers came to town spoiling for another victory to add to their already creditable record, but they left town on the tail-end of a 111 to 66 score.

In their next engagement the Baptist Braves suffered one of those sports oddities, the "off" night and went down to defeat at the hands of Louisiana College.

Troy State spoiled M. C.'s home court victory string and took the game by a close 86 to 84 margin. Another Alabama team came to visit, but this time Mississippi College was ready. They racked up Birmingham Southern 83 to 73.

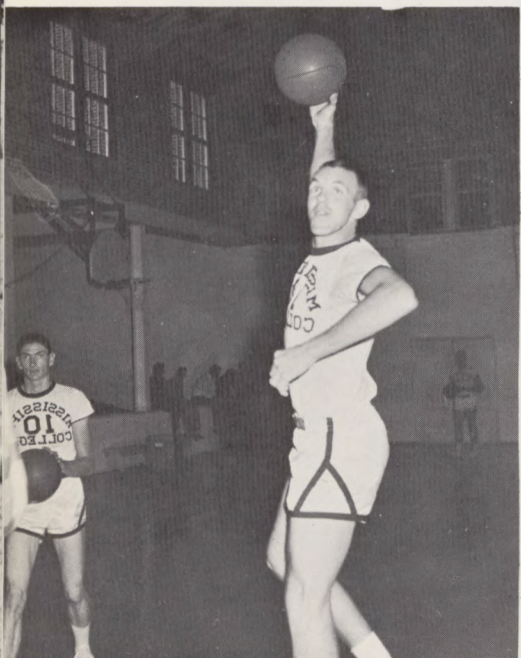

The home climate stimulated the Chocs as they swept past the highly regarded defense of the Austin Kangeroos and plastered them with two straight defeats. Lambuth came to town and found the Choctaws nearly invincible as we pushed them aside 111 to 84. Probably the most convincing and crowd pleasing victories occurred at Jackson's City Auditorium. M. C. stomped the Millsaps Majors 118 to 69. All the efforts of the "Saps" to stall and prohibit the Chocs from breaking the 100 mark proved futile. The Choctaws answered the call to "rally round the flag boys" and they literally ran the Majors off the court.

M. C. jumped on Spring Hill of Mobile for an early lead, but when "key" men began to foul out, Spring Hill forged ahead late in the game and gained a squeaky 87 to 81 victory over the Choctaws.

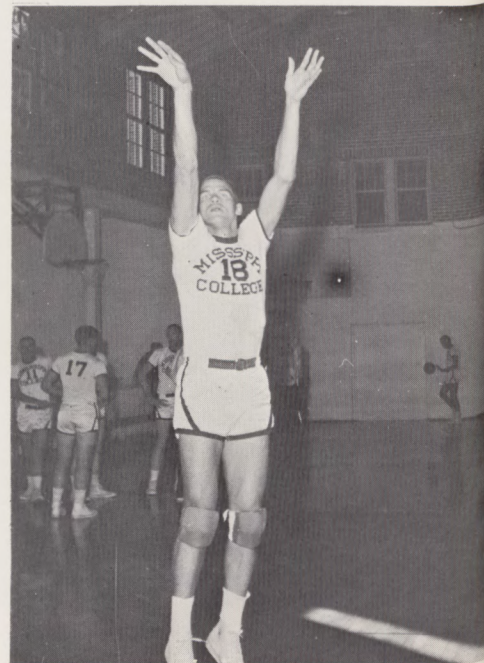

"Covington Lays one up"

Allen's Assassin's took to the road to return the visit to Alabama. They won a brilliant 100 to 99 victory from the Troy State team and conclusively found revenge for their only home loss of the season. Birmingham Southern turned the tables on the Choctaws and took a close victory from the Mississippi cage team. But this trip was not over, and before the Braves left town they bombarded Howard 98 to 69.

Traveling north, the Choctaws met and fell before the Lambuth team 97 to 76. However the Chocs tomahawked Christian Brothers College 84 to 78 to get back into the winning groove. C. B. C. came down rated as one of the top small college teams in the nation and this Choctaw victory was certainly a thriller.

The other Mississippi Baptist College, William Carey of Hattiesburg, became the next victim of the rampaging Choctaws. They fell on their home court by a 84 to 74 count.

M. C. returned again to the City Auditorium to meet the Millsaps Majors and again the Chocs broke the 100 mark. The slow-down tactics of the "Saps" proved worthless as they fell 104 to 85.

"What goes up always comes down"

Jimmy Moore, Forward

William Carey repaid our visit and found the Choctaws just as rough at home as they are on the road, and they fell victims 84 to 64. However, they made the game interesting by taking the lead at halftime over the Chocs who showed none of their usual form. The second half presented a different picture entirely, and the Choctaws ran away with the game.

Games to be played

Southwestern Invitational Tournament  
February 19-21

"Covington sinks a jump-shot  
against the Saps."

The Choctaws, ably coached by coach James "Stute" Allan, compiled an impressive 14 wins, 7 losses this season. They began and closed their season with wins and six times ran the score over the 100 mark. This was undoubtedly one

of the most colorful and crowd pleasing Choctaw teams in history. They constantly pleased the rooters and their actions on the court. They played an exciting and effective brand of ball as they rolled up victory after victory.

The 1958 baseball team put together a fine 11 wins, 7 losses and 1 tie record. The opposition was much rougher this year than in 1957, but despite a weak showing by the pitching staff the Choctaws won more than their share of the games.

F. D. MOORE, *Third Base*

The Choctaws ran up five straight victories by bowling over Culver Stockton, Hanover College, Keesler Air Force Base twice, and Howard. Howard then turned the tables and defeated us twice. Louisiana College downed the Choctaws 6-1 before the Braves set on a 4 game winning streak.

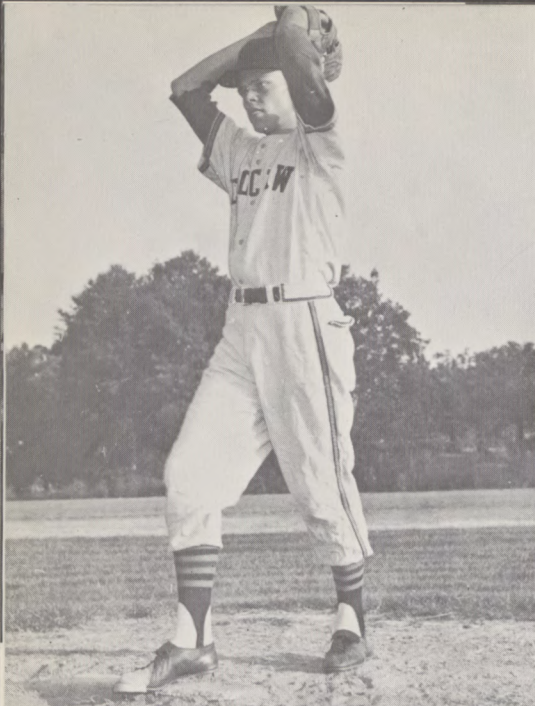

Hutton hits another homer

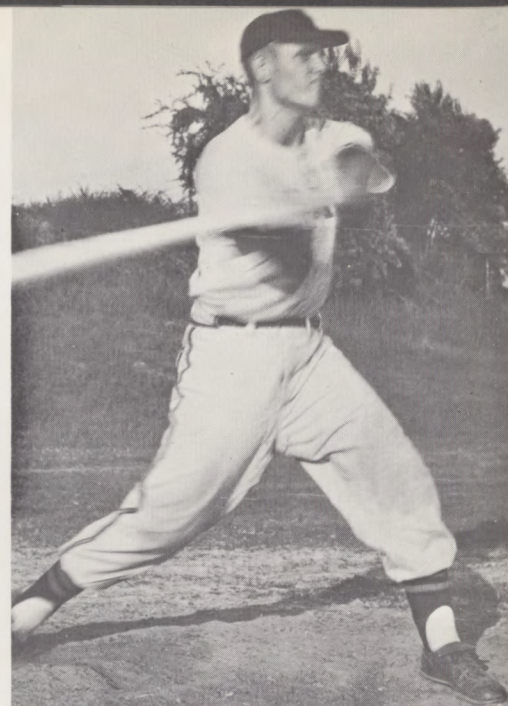

The Chocs began the season with an upset victory over the Delta State Team, but the next day they lost a double-header to the same team. The next games were away from home against Northern Louisiana State where we earned a tie despite losing the first game 10-6.

They completely destroyed Livingston 19 to 3 and then went on to plaster Millsaps three straight times. The highly rated Austin College Kangeroos then administered the Choctaws, sixth and seventh defeats. The final game found the Choctaws playing Millsaps. They ended their season on a convincing victorious note by shellacking the Majors 15 to 3.

The 1959 aggregation looks to be stronger than the 1958 rendition. The schedule is longer and a little bit harder, but the hitting strength of the team looks good. The weak spot again appears to

be in the pitching staff, but if a few develop their potential, this years team will improve vastly over last years record.

Bottom Row, left to right: Jerry Bozeman, Wayne Derrick, Philip Matalaka, and Rhett Fulcher. Top row: Marvin Gordon, Larry Grantham, Terry Clark, and Rodney Frothingham.

## CROSS COUNTRY

The 1958 Choctaw Cross Country squad started the season in low gear. They were plagued with inexperienced men, but toward the end of the season the Brave overland crew

shifted into high gear. They wound up the season in fine style by taking second place in the Southwestern Invitational Cross Country Meet.

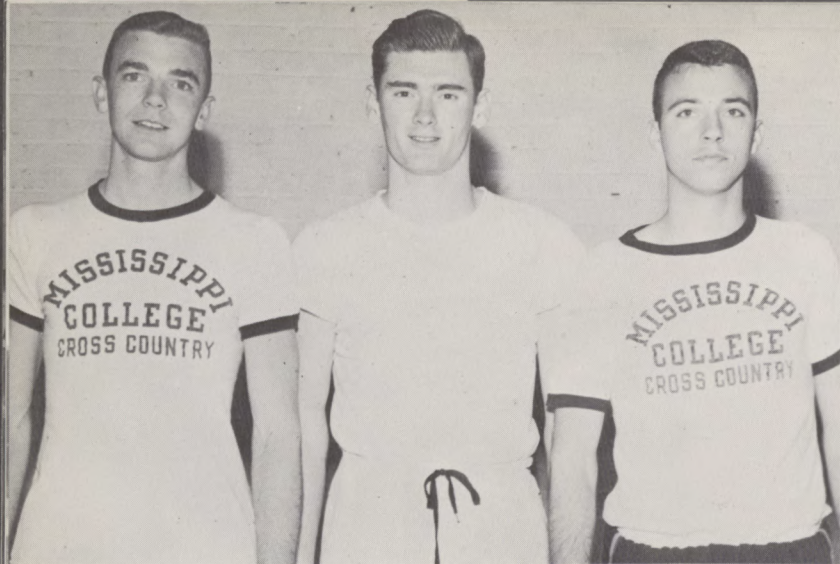

Middle Distance men Roy Baker and Dick Carroll.

Wayne Tatum, Broad Jump.

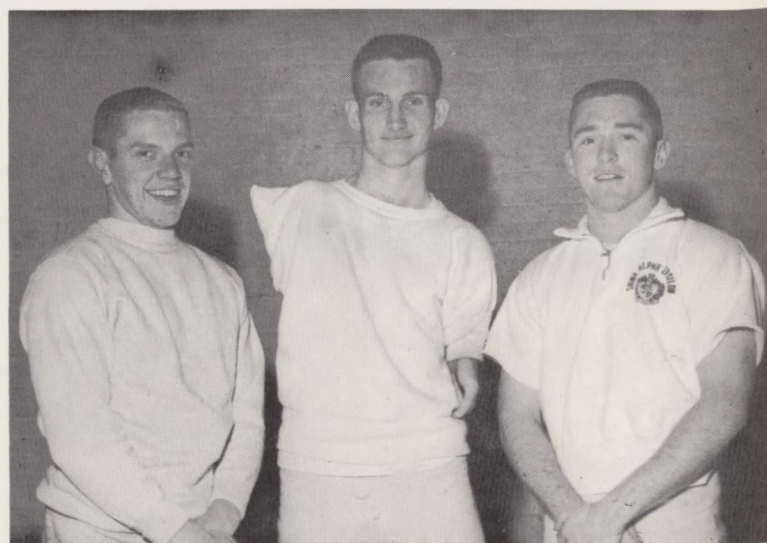

Long distance men, Grantham, Gordon, and Derrick.

The next visitors were the highly ranked Arkansas State team. This was undoubtedly the most thrilling meet of the entire campaign. The Choctaws superiority in one category would be neutralized by the oppositions mastery of another. The final event came up and the meet was still in doubt. M.C. was leading by a couple of points and they needed the mile-relay event to cinch it. The visitors led at the end of three laps, but a miraculous come-from-behind effort by Roy Baker gave the Choctaws a  $68\frac{1}{2}$  to  $61\frac{1}{2}$  victory.

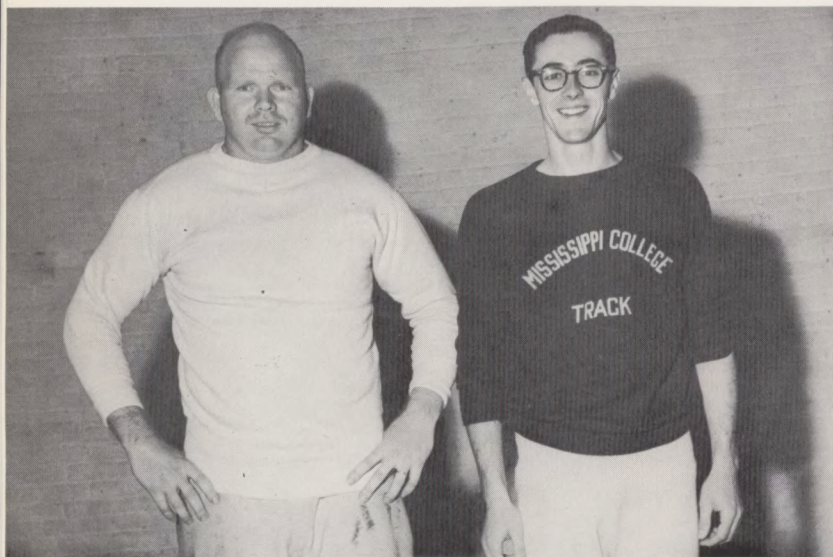

M.C. took the initial tests of the season as a warm-up to greater things to come and then moved on to mow down seven opponents while dropping only one meet.

Southwestern came to town to start things rolling. The Chocs showed superiority in almost every event and pushed on to a team-effort 97 to 33 win.

Sprinters: Upton, Tatum, and Foster.

Weightman: Baggett, and Sprinter: Baker.

The Choctaws ran up their biggest score in the young campaign next when they completely swamped Howard 99 to 31.

Mississippi State, the number two team in the SEC, took the measure of the Choctaws 87 to 43. Then Emory University came to town. This fine team found the Choctaws "up" for them and they fell before the onslaught of Parkman's men 79 to 51.

# TRACK

The highlight of the season came in the Southwestern Invitational Track Meet. Mississippi College piled up a decisive margin in the field events and went on to a complete victory over host Southwestern, Howard, Sewanee, Lambuth, and Union University.

Hurdler: Bolton.

Pole Vault: Brandon.

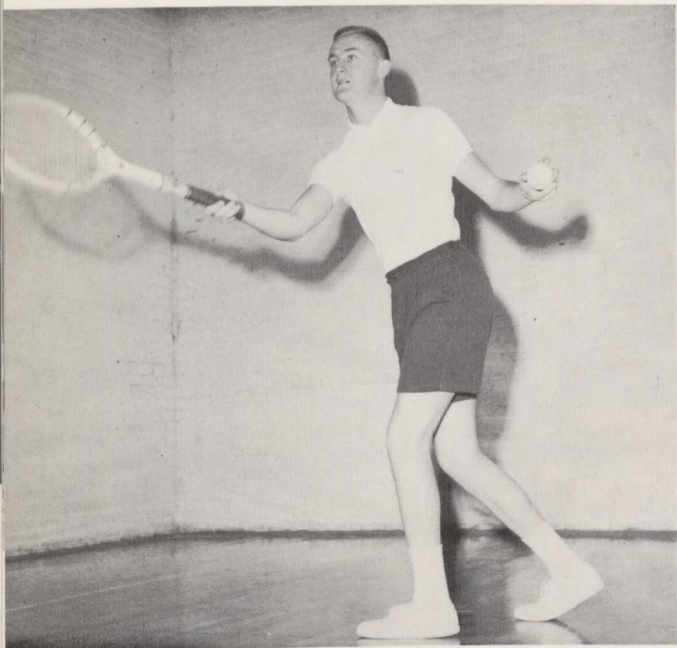

The Choctaws closed out a great year with a forfeit win over Tulane, and a decisive 106½ to 23½ win over Louisiana College. Thus came to a close

one of the most successful seasons in Choctaw history. Ably coached by coach Jim Parkman, the Chocs were able to hold their own against anyone.

1958 Track Squad.

## TENNIS

Coach Murphy inherited a squad with a 1957 record of 5 wins and 6 losses, but by the end of the 1958 season the Choctaws had put together an enviable 9 wins and 6 losses record. This was against some of the stiffest competition in the South.

## ROBED CHOIR

Selected from the larger Chorale Choir the Robed Choir is the smaller traveling core which represents the College all over the state and in many invitations outside the state. Famed for its beauty and expressiveness in choral compositions, the Robed Choir offers as a special treat the Choctaw Quartette.
